QUARTERLY ACTIVITIES REPORT – 3 MONTHS ENDED 31 DECEMBER 2021

Ikwezi Mining Limited (ASX: IKW, Ikwezi Mining or Company).

Operational update

Second quarter production improved compared to the first quarter, which was in line with planned/expected with December being low production month on account of holidays and rain interruptions. The total tonnages mined for the quarter were 206,515. As planned the Goedehoep pit was brought into production in the current quarter however mining activities remain limited as the start up was impacted by rain interruptions.

Emoyeni wash plant operations recorded a 6% quarter-on-quarter production improvement with November recording the highest monthly production yet. A record total feed of 223,421 was achieved during the current quarter, averaging at 74,473 tonnes per month which was in line with the production plan of 75,000 tonnes per month.

Finance update

Cash and cash equivalents of the Company as at 31 December 2021 amounted to A\$ 4.499 million (30 September 2021: A\$ 0.453 million), together with undrawn finance facilities in the amount of A\$ 5.061 million.

No expenditure was incurred on exploration or development activities during the quarter. The expenditure of A\$ 12.994 million was incurred on mining production activities during the quarter.

Thermal coal markets

Thermal coal prices (API4 Richards Bay - FOB Richards Bay for 6,000 kcal, NAR product) gradually decreased during the current quarter from a record high of over USD 200 and closing the quarter at just USD 135. This gradual decrease is expected to continue for the next 12 months with the price expected to be around USD 107 as at December 2022.

Future Developments

The Company, through its Emoyeni wash plant aims to ramp up its throughput to achieve 90,000 tonnes on a monthly basis in the coming quarter. Further, coal production shall also be ramped up to 100,000 tonnes a month through production from both Kliprand and Goedehoep pits.

Summary

Key management focus in the short term remains on increasing production and improving the product value through beneficiation of the coal at the Emoyeni wash plant.

The Company's Appendix 5B, item 6.1, includes payments made to Zarbon Coal (Pty) Ltd (related party) for fees charged relating to the export of coal and item 1.1 of the said Appendix 5B includes an amount of A\$ 6.180 million which was received from Ikwezi Mining FZE (related party) against the sale of coal.

ABOUT IKWEZI

Ikwezi Mining Limited is focused on the exploration and development of coal projects in South Africa. The Ikwezi mining right area consists of a number of opencast and underground areas. The Kliprand Colliery (previously, Ntendeka) is the initial opencast area where mining operations have commenced. Ikwezi has a 70% stake in the mining right area located in the province of KwaZulu-Natal and are in close proximity to rail and port infrastructure.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 6: Exploration for and Evaluation of Mineral Resources* and *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
